

NMERB's 2012 Medical Review Board Meeting Schedule

In order for you to be considered for disability benefits under the New Mexico Educational Retirement Act, you must submit a complete disability application that must be received by NMERB no later than two weeks prior to the scheduled date of the next Medical Review Board (MRB) meeting. This Memorandum provides a calendar for calendar year 2012 for the submission of disability benefit applications.

Please be aware that MRB meeting dates are subject to change. Any changes to MRB meeting dates will be posted on our website at www.nmerb.org. NMERB recommends that you visit our website on a regular basis to learn of any MRB meeting date changes as they could affect deadlines for submission of a **complete** disability application.

It is the Applicant's sole responsibility to provide the NMERB with a complete disability application by the deadline. (See NMERB's *Instructions and Guidelines for Disability Application* for information on how to submit a complete disability application). If the NMERB does not receive all the required documentation along with the complete application materials by the deadlines listed below, your disability application could be delayed until the next cycle or denied by the NMERB.
